

Circular No.279-2019-BC-STF

Date.30.12.2019

## **PROVIDING OF DIGITAL LIFE CERTIFICATE FACILITY TO OUR RETIRED STAFF / FAMILY (STAFF) /EPFO PENSIONERS THROUGH JEEVAN PRAMAAN–OPERATIONAL GUIDELINES**

Ref: HO Cir. No: 315-2018-BC-STF, Date: 26.12.2018

The attention of Branches and Regional Offices is invited to the referred circular regarding the implementation of the Pension Scheme as per Andhra Pragathi Grameena Bank (Employees') Pension Regulations, 2018.

Accordingly Bank has started payment of Pension to our Retirees/Family members of Deceased Staff as per APGB (Employees') Pension regulations – 2018 and also our Bank has been one of the Pension Disbursing Agencies for EPFO and has been disbursing EPF pension to nearly 3000 members (includes our Staff and Public) through our Police Line Branch, Kadapa.

As per the system in vogue, Pensioners have to submit Life certificate once in a year in November for seamless transfer of pension amount to the Bank account of the pensioner. Up to now our Pensioners are submitting Life certificate by personally present oneself before the Pension Drawing branch or any one of our Bank Branches for both APGB Pension and EPF\_95 monthly Pension.

This very requirement of personally being present in front of the Pension Drawing branch or any one of our Bank Branches for getting a life certificate often becomes a major hurdle in the process of seamless transfer of pension amount to the pensioner. It has been noted that it causes a lot of hardship and unnecessary inconvenience particularly for the aged and infirm pensioners who cannot always be in a position to present themselves in front of the particular authority to secure their life certificate. In addition to this most of our employees, post their retirement choose to move to a different location either to be with their family or other reasons, hence causing a huge logistical issue when it comes to accessing their rightful pension amount.

As a part of Digital India initiative, Government of India, on 10th November 2014 has launched "Jeevan Pramaan" an "Aadhaar based Digital Life Certificate" for pensioners. This initiative is in addition to the existing system of physical submission of Life Certificate by pensioners.

In this connection, the Government of India, Ministry of Finance, Central Pension Accounting Office, New Delhi has advised that "A life Certificate issued online by a Government Agency as a result of Aadhaar Biometric Authentication will also be accepted as a valid certificate".

In view of the Government of India Initiative, our Bank also got registered/on-boarded with Jeevan Pramaan to make it hassle-free and much easier for our pensioners, to submit life certificate in Digital form. In this context, the bank proposed to carve Jeevan Pramaan centers at all our Regional Offices and Police Line Branch, Kadapa.

Branches are, therefore, advised to publicize and educate the pensioners who are drawing Pension in their respective branches to utilize the facility of Digital Life Certificate for both APGB Pension and EPF Pension.

For APGB Pension the majority of the Retirees have already submitted a manual Life certificate for 2019, those who have not submitted up to now are to be advised to submit a manual Life Certificate for this year as early as possible for seamless transfer of Pension. From next year onwards Retirees/Family Pensioners have to submit Life Certificate in digital form-only through Jeevan Pramaan.

For EPS\_95 Pension all the Pensioners have to submit Life Certificate in digital through Jeevan Pramaan only, as manual Life Certificates are not acceptable to EPFO. Pensioners who have already submitted a manual life certificate for EPS-95 Pension are to be advised to submit a Life Certificate in digital form through Jeevan Pramaan.

Branches are advised to take note of the above and inform the Pensioners at the earliest for uninterrupted transfer of Pension
